I have reviewed *Critical Care*, which is published by BioMed Central and I recommend it to be added to our library's subscription holdings. A free online trial can be accessed from [http://www.biomedcentral.com/libraries/free\\_trials.asp](http://www.biomedcentral.com/libraries/free_trials.asp). Please contact [institutions@biomedcentral.com](mailto:institutions@biomedcentral.com) if you have enquiries regarding an institutional trial or subscription. Please contact me if you have any questions.
